## General Manager Message

Abdullah Sarhan  
Al Alawi

Carillion's Joinery Division has always been and remains an integral part of the Zawawi Group's business.

Since 1975, our Joinery division has been entrusted to manufacture and deliver luxurious woodworks to iconic buildings in Oman and the rest of the GCC, such as; Royal Opera House, Al Bustan Palace Hotel, Deputy Prime Minister's Office, Muscat & Rustaq Court Complex, Anantara Al Baleed Resort, Downtown Dubai and more.

Our clients' satisfaction is always our main target, and so, we continue to sustain long term relationships, as well as developing new ones, with reputable vendors to supply us with the highest quality of materials. Thus, ensuring we meet and exceed expectations.

We are also proud to say that, not only have we invested heavily in modern machinery, but also consistently prioritize the health, safety and wellbeing of our people who make walking this glorious path a reality.

Adhering to high occupational standards in all our processes has given us a competitive edge and has successfully placed us as one of the market leaders of the joinery industry in Oman for large scale projects.

Going forward, we are eager to engage our local community, and so, have decided to expand our market reach and embark on a journey to provide high end customized woodworks to clients in the domestic market also.

To achieve this, our team is always working on establishing a stronger presence online to enable our clients to interact with us through multiple social media platforms. Hence, we will continue to embrace modern technology and combine it with our long experience in traditional craftsmanship to deliver astounding joinery elements to our clients in the commercial & domestic markets.
